Let's engage in dialogue to explore civic needs & opportunities! Topics may include:

- What does civic engagement look like in your community?
- What needs do you see in civic education and civic communities?
- How might we get closer to "a more perfect union"?
- What is the state of civic engagement in your community? What are the bright spots?
- How might we better encourage all members of the community to be engaged?

Share your stories and join the effort to understand civic engagement across Michigan. [Sign Up Here](#) to join the mailing list to stay informed about additional tour dates and other coalition opportunities.

Who else? Please forward this invitation to any one you believe would be willing to contribute to this important conversation. We all can be part of the next steps to ensure a healthy civic future for our state and our communities.

You are invited to join in this work!
